

Remarks

The Office Action mailed 17 June 2003 has been received and reviewed. Claim 6 having been amended, the pending claims are claims 1-32.

Claim 6 has been amended to correct a typographical error (adding a period at the end of the claim).

No new matter has been added as a result of the above amendments.

Reconsideration and withdrawal of the rejections in view of the above amendments and the following comments are respectfully requested.

The 35 U.S.C. §102 Rejections

The Examiner rejected claims 1-4, 6-13, 17-21, and 23-32 under 35 U.S.C. §102(a) as being anticipated by Gygi et al. (*Nature Biotechnology*, 1999;17(10):994-999).

The instant application claims priority to U.S. Provisional Patent Applications 60/203,227, filed May 5, 2000; 60/208,184, filed May 31, 2000; and 60/208,372, filed May 31, 2000. Gygi et al. has a nominal publication date of October 1, 1999 (Exhibit A), which is well within one year of the priority dates (May 5, 2000, and May 31, 2000).

A Declaration Under 37 C.F.R. §1.131 is being submitted concurrently herewith in which Applicant Fred E. Regnier swears that before May 4, 1999, he conceived of and reduced to practice the present invention. It is submitted that the claimed invention has an effective filing date corresponding to the filing date of one or more of the priority applications. The Declaration Under 37 C.F.R. §1.131 thus antedates Gygi et al., thereby removing the rejection of claims 1-4, 6-13, 17-21, and 23-32 as being anticipated by Gygi et al. under 35 U.S.C. §102(a).

Reconsideration and withdrawal of the rejection of claims 1-4, 6-13, 17-21, and 23-32 under 35 U.S.C. §102(a) as being anticipated by Gygi et al. is accordingly respectfully requested.

The Examiner rejected claims 1-4, 6-13, 17-21, and 23-32 under 35 U.S.C. §102(e) as being anticipated by Chait et al. (U.S. Patent No. 6,391,649 B1).

Chait et al. has an effective filing date of May 4, 1999, at the earliest. A Declaration Under 37 C.F.R. §1.131 is being submitted concurrently herewith in which Applicant Fred E. Regnier swears that before May 4, 1999, he conceived of and reduced to practice the present invention. The Declaration Under 37 C.F. R. §1.131 thus antedates Chait et al., thereby removing the rejection of claims 1-4, 6-13, 17-21, and 23-32 as being anticipated by Chait et al. under 35 U.S.C. §102(e).

Reconsideration and withdrawal of the rejection of claims 1-4, 6-13, 17-21, and 23-32 under 35 U.S.C. §102(e) as being anticipated by Chait et al. is accordingly respectfully requested.

The 35 U.S.C. §103(a) Rejection

The Examiner rejected claims 5, 14-16 and 22 under 35 U.S.C. §103(a) as being unpatentable over (Gygi et al. *Nature Biotechnology* 1999;17(10):994-999).

As described hereinabove, the accompanying Declaration Under 37 C.F.R. §1.131 antedates Gygi et al. Applicant, therefore, respectfully requests that the rejection of claims 5, 14-16, and 22 under 35 U.S.C. §103(a) as unpatentable over Gygi et al. be reconsidered and withdrawn.

The Examiner rejected claims 5, 14-16 and 22 under 35 U.S.C. §103(a) as being unpatentable over Chait et al. (U.S. Patent No. 6,391,649 B1).

As described hereinabove, the accompanying Declaration Under 37 C.F.R. §1.131 antedates Chait et al. Applicant, therefore, respectfully requests that the rejection of claims 5, 14-16, and 22 under 35 U.S.C. §103(a) as unpatentable over Chait et al. be reconsidered and withdrawn.
